<http://www.newindiaequipments.com/>

When manufacturing and supplying of Hand Pallet Truck and Hydraulic Stacker is the question then our company is the perfect answer to the same. We offer a wide variety of material handling equipment.

## Profile

New India Equipments, established in the year **2014** has been registered as manufacturers and suppliers of **Hand Pallet Truck and Hydraulic Stacker**. Our offered range includes Drum Handling Equipment, Hydraulic Lift Table and Drum Carrier. Well-tested design and superior quality has enabled material handling equipment along with material handling system and drum carrier to gain much appreciation and success in the market. Features such as supreme quality, amazing performance, fine functionality and completely tested design are always present in all of our products.

All of our products are backed with an extremely strong infrastructural base and we offer customized solutions to our esteemed customers. We are comprised of a team of superbly talented dexterous professionals who do not fail to serve the company with the best of their abilities. We never shy away from implementing the upgraded technology in the work that we do in order to be at par with the latest trends in the market. Each product from our side goes through multiple rounds of quality checks before getting ready for dispatch and delivery.

**Mr. Yougander Pandita**, has given his time, effort and soul to the company and has managed to grow from strength to strength since then. We have been able to achieve and maintain the trust factor of our clients owing to our splendid quality.
